

Congratulations to all!!!

Almost 25,000 miles were accumulated and recorded by 34 participants during the nine-month EDRA in Motion Challenge that took place April through December of 2025. An average of 800 miles was traveled per participant and 29 participants each logged more than 100 miles during the competition, thus earning a 2025 completion award – a blue hoodie plastered with the EDRA in Motion logo – a great clothing addition for workouts or riding!

This year's high mileage achiever, Jillane Baros, gave it her all, winning champion status in three categories – Weight Class 2, Distance Division 2 and Distance Division 3. This three-way feat has never before been accomplished since the inception of the Challenge.
